Subject: Approval of Transfer of Notice of Intention, Wasatch Gravel and Rock, Barney Mine, S/049/065, Utah County, Utah

Dear Mr. Gordon:

On June 10, 2008, we received your Transfer of Notice of Intention of Small Mining Operations to transfer the Barney Mine small mining project located in Section 2, Township 11 South, Range 2 West, Utah County, Utah from James B. Mascaro and Sons, LLC to Wasatch Gravel and Rock. Along with the transfer form, reclamation surety has been arranged and a Reclamation Contract has been executed.

The Division Director signed and executed the transfer document on July 23, 2008, *which effectively transfers the responsibility of this mining operation and reclamation to you.* A copy of the executed transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project. Please be aware that you must satisfy the Utah County requirements in making this change in ownership as well. We will forward a copy of the executed transfer form along with this letter to them for their records.

By copy of this letter the Division hereby officially releases James B. Mascaro and Sons, LLC from any further reclamation responsibilities at this site. Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact Lynn Kunzler at (801) 538-3310. Best of luck with your new mining venture.

Sincerely,

Dana Dean, P.E.  
Associate Director, Mining
